## ABOUT ME

*I am currently enrolled as a third year student in the Bachelor of Information Communication Technology at the Rajarata University of Sri Lanka pursuing an undergraduate. I am interested in the cloud computing and software development field.*

*I have acquired a solid foundation in key ICT concepts, including database systems, programming fundamentals, network. Passionate about leveraging technology to drive innovation and solve real-world challenges, I am eager to contribute to the dynamic field of ICT.*

## EDUCATION

### Rajarata University of Sri Lanka, Mihinthale

**Bachelor of Information and Communication Technology(Hons)  
Reading**

The degree programme at the Faculty of Technology in Rajarata University of Sri Lanka is a 4 year Hons degree programme leading to Bachelor of Information and Communication Technology(BICT). This programme is designed under the guidelines of Institute of CSSL.

### Rathnavali Balika Vidyalaya, Gampaha

I studied Grade 6-13 (2011-2019) in Rathnavali Balika Vidyalaya, Gampaha. I obtained A8 & B for the GCE Ordinary level examination, selected the Technology stream for GCE Advanced level, and got a 2B & C result.

## WORK HISTORY

### Training Graphic Designer

**AJ Banners, USA**

AJ Banners was created by Mr. Asela Jayarathne at 511 S Main Street, Hillsboro, IL, US. It designs high-quality indoor & outdoor banners, banner stands, business cards, flyers... I am working there as a part-time graphic designer.

### Tute publisher

I have been doing other teachers' tutorials, exam papers, paper books, short notes preparation and editing since two years.
